

Dear Scholarship Applicant:

I've established a program to provide financial assistance to students of low income and special need families. In return, the parent and/or student are asked to provide work exchange services behind the scenes and/or special events such as at a open house or talent showcase.

I am not funded for scholarships, however, I aim to help applicants. To accommodate you, each applicant is asked to carefully consider their specific financial need and specify how much assistance is required where noted on the application questionnaire. The maximum financial assistance we can provide is 30% - 40% off of the full course fee. If a parent helps on weekends and weekdays fees will be negotiated.

Applications will be considered in the order they are received and all applications will be kept confidential. Parents and students should carefully complete the Scholarship Application together. All applicants will be interviewed.

I recommend scheduling an informal interview in person or via the phone. Scholarship enrollment is dependent on space availability. Course choices for scholarship students are limited to the openings available. Placement will be confirmed 2-3 days before the 1st class. Every effort will be made to place you in one of the courses of your choice.

Scholarship students are expected to attend class regularly and complete all homework.

We do not provide make-up classes or interchanging of class day/times. Parents and students should give serious consideration to this commitment when making your course choice. High absentees may result in forfeiture of scholarship.

TO APPLY: Submit application, a completed registration form, and \$50.00 refundable deposit.

INFORMATION IS CONFIDENTIAL!

To apply for Scholarship assistance, complete the following. Submit application, a refundable deposit of \$50.00, a copy of your last year's tax return and/or other documented proof of your annual income. Your deposit will be refunded if we are unable to grant financial assistance or provide the class of your choice. Please answer all of the questions. Add additional pages if needed. The information that you provide us will help in evaluating your application.

Applicants will be considered in the order that they are received.
